

Dil se welcomes you on a culinary journey that celebrates the vibrant and traditional flavours of India intertwined with modern Indian dining.

For sustenance or indulgence, food should be made and enjoyed from the heart. The connection and satisfaction that food brings when feeding others, dinner for one, a quick bite on the go or a feast for a special gathering is one of a kind and that's why food should be made and honoured, Dil se. That's the foundation of this journey from the selective team involved in this venture to the dishes created to the table.

Executive Chef Sanjay Das venturing from Kolkata brings his highly successful multi cuisine skills, and artistry to traditional and modern cuisine.

South Indian culinary expert, Thiyagarajan Selvaraj from Chennai shares his expertise in delicate and unique flavours of the coast and the South.

Our Sous Chef, Vikki Sarkar of Delhi offers his much-loved North Indian expertise and flavours fundamental to staple dishes.

The inspiration for Dilse derives from founder Tito's journey from the East Coast of Sri Lanka, with flavours and tropical foods of the coast as in South India and merging with popular Indian cuisine. The passion for food and invaluable journey into the industry over the past decade has evoked a new chapter at Dilse.

We hope to showcase and offer a true and extraordinary experience of India's finest flavours, created 'from the heart'.
